MINISTRY OF FINANCE**

PRESS RELEASE

VEHICLE EXIT/ ENTRY ONLINE SYSTEM

Royal Customs and Excise Department in its continuous efforts to improve their service delivery hereby announce the implementation of Vehicle Exit/Entry Online System (VES), as their new initiative for traders and members of the public.

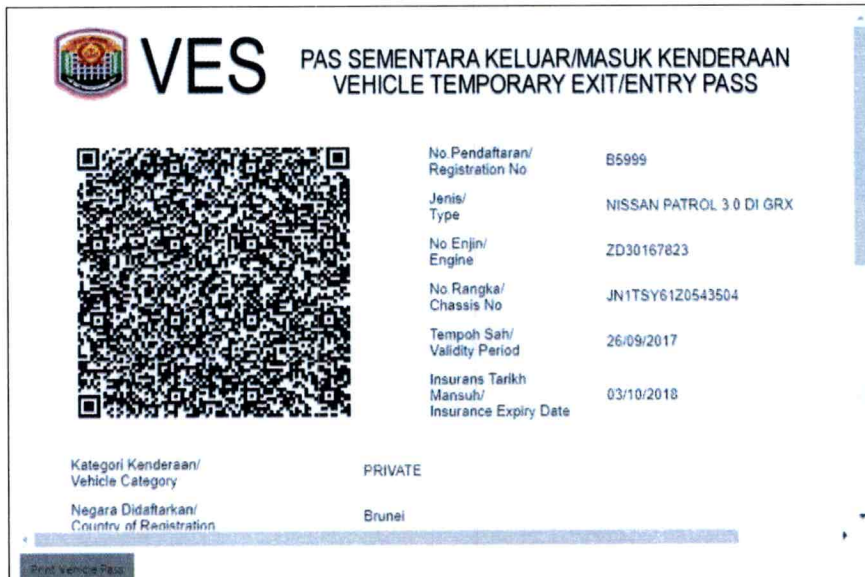

Brunei Darussalam's National Single Window (BDNSW)

Welcome to Brunei Darussalam's National Single Window (BDNSW) for Trade Facilitation. BDNSW is a Common Online platform (ELECTRONIC SINGLE WINDOW) for electronic exchange and submission of trade information and documents by business and public to the controlling agencies. Multiple trade application are consolidated into single application and submitted

VES VEHICLE PASS
PERMOHONAN KELUAR/MAKUK KENDERAAN
VEHICLE EXIT/ENTRY APPLICATION

VES Pass application can be made online by registering on www.bdnsw.gov.bn

This system will facilitate and expedite the application and approval process for vehicles exiting or entering the border checkpoints. The application can be made online via www.bdnsw.gov.bn. The main objective of the implementation of this new system is to replace the existing registration process and the usage of manual form to reduce congestion at the border checkpoints due to the manual application process. QR code system will also be introduced whereby the VES Pass will be scanned to cut the waiting time due to manual inputting of data in the system.

Screenshot of VES Pass containing the QR Code to be scanned

Royal Customs and Excise Department advise members of the public to utilize this system and to obtain their VES Pass before exiting border checkpoints by registering their vehicles electronically prior to the date of departure.

Members of the public, specifically vehicle owners are also reminded to update their email address in the Land Transportation System to enable them to receive notification of registration when application is submitted in VES.

Vehicle owners may either save their VES Pass in their smartphone or tablet, or have it printed to be scanned at the border checkpoints.

The VES Pass is valid for 3 months from the date of registration.

For more information, members of the public can visit Trading Across Border's website (www.tradingacrossborders.gov.bn) or contact Customer Service Counter at 2382361 during working hours or email info@customs.gov.bn.
